

OUR TREATMENT PLAN

Our aim is to provide high quality care and treatment in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping abreast of advances in modern dentistry. To ensure we maintain the high standards our patients have come to expect it is becoming increasingly important for us to accurately match the number and the needs of our patients to the resources we have available.

With this in mind, we have joined with DPAS Limited to design a comprehensive dental treatment plan. This plan will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan. The plan will provide advantages both to you and to us. It will allow us to plan your dental care more effectively and provide the best chance of keeping you dentally fit. The advantage for you is that it should reduce the need for future treatment and you will have the peace of mind that your dental treatment will be covered by convenient monthly payments. Our plan also provides worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf).

YOUR BENEFITS

- all your routine dental treatment is included
- payment by convenient monthly Direct Debit, allowing you to budget
- guaranteed registration with the practice and continuing access to your dentist
- early identification of dental problems to prevent pain, discomfort and inconvenience
- discount on treatment fees
- appointment times to suit you wherever possible
- access to a 24 hour dental emergency helpline 365 days per year
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

WHO IS OUR PLAN FOR?

Our plan is designed for patients who wish to attend the practice on a regular basis and have peace of mind that their routine dental treatment is covered.

WHAT DOES OUR PLAN INCLUDE?

- all regular dental health examinations
- all hygiene appointments including scale and polish and periodontal advice
- all x-rays
- all fillings
- root canal treatment
- all crown and bridge work (excluding lab fee)
- extensive preventive advice including diet and oral hygiene advice
- membership card with 24 hour helpline numbers for dental emergencies at home or abroad
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

HOW DO YOU JOIN OUR PLAN?

We carry out an assessment to ensure that our plan will meet your needs and you will be advised of the monthly amount to pay to cover all your routine dental treatment and the charges for management and administration payable by you to DPAS.

Routinely we will carry out an assessment to ensure you remain in the correct level of plan for your dental needs.

Then joining is very simple. All you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS.

In addition to your first monthly payment, an initial registration fee of £10 per person will be payable by you to DPAS and will be included in your first Direct Debit payment.

If you choose to leave the plan for any reason you can do so by simply giving us one month's notice.

WHAT IS EXCLUDED FROM OUR PLAN?

Although non-routine services are available from the practice, some items fall outside the scope of the plan and are not covered by the monthly payment namely:

- cosmetic dentistry
- referrals to specialists
- laboratory fees
- implants
- orthodontics.

Treatment not covered by this plan can be paid for separately.

WHAT HAPPENS IN AN EMERGENCY?

You will have access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.

ANY QUESTIONS?

If you have any questions about our plan, please contact our reception team who will be happy to provide further information and guidance.
